Foreign Relations Office

- Our office continues its activities with the mission of enabling university students and faculty members to gain international experience in educational research activities, to help students and scientists from foreign universities to integrate with the university, and to contribute to the development of both the university and the region by making the most of international programs and projects.
- In 2018 out budget was 109.000 euro.

- Our Foreign Relations Office develops cooperation and relations with universities at home and universities abroad in accordance with our university's internationalization strategy. Within this scope, we host both international students and academic staff, and allow our students and academic staff benefit from international mobility to provide them with international experience. Our goal is to increase the number of students and staff that make use of national and international programs and projects

- The Foreign Office aims to help foreign students studying at Yozgat Bozok University to participate actively in academic, social and cultural life and to solve the academic, social and cultural problems they encounter during their education.
- Studying international students at our university will not only enable our students to get to know different societies and cultures, but also help international students realize the cultural richness of our country and understand the differences.

In addition to a large number of international students, student and staff mobility is carried out with program member countries within the scope of Erasmus+, Mevlana and Farabi student exchange programs.
